Crumbs in the bed make me itch at night
Make me move closer
Restless sleep, oh but I don't mind I wanna move closer
Fell in your trap and now I'm missing class
Will anyone miss me?
Doesn't anyone miss me?

No!

Only a day to get it together
Can we keep it together?
I don't mind if the answer is yes
I can make up the test, oh
Ours is a young love anyone can see
Lots of room to grow up now
Don't you wanna grow up now?

No!

Young love
But I'm not gonna name it
Young love
I wanna make it last
Young love
I'm not gonna frame it
Don't wanna put us in the past
