830 (ready to go)
Pack it all in a bag find a place to go Woh, oh, oh.
Cause' i want out, its too loud near the city hall Losing
control.
I just filed my application , for a permanent vacation.
Let's get the hell away from here , I need some time to
disappear.

N' all i can say is that a rock has got to roll.

Time to hit the road on the 830 , Woh, oh, oh.
I feel like driving to the music on the radio. Im ready to
go.
Let the wind blow and the sun shine after the dawn.
Time to hit the road on the 830.
I'm ready to go, ready to go.

Troubled mind all the time feeling down and low... oh
so low.
Gotta breathe when you leave gotta let it go.
Woh, oh, oh oh. Yeah! Maybe we can find some green
mountains

or the blue in the sea.
Yeah everything can be so clear.
Just got to get in second gear.

CHOR:

Dont need your medication, ,. i just need some
vacation!
You gotta go, you gotta go you gotta go!
You gotta go, you gotta go you gotta go!
You got to go, you got to go you got to go!
Let the wind blow and the sun shine after the dawn!

And all I can say is that a rock has got to roll. Let roll...

CHOR:

...how far can we go...
