Well hello,
i see you dancing alone , and its a hell of a show
, looking at you , the things that you do, If you want me
i'll want you.

Yeah are you ready for this? ,
I see the fire on your lips,
, sweet little miss , give us a kiss. Overload!

So what if your make up 's melting down , ooh yeah!
I never liked a painted mime, Just wash it off cause
simple's always fine.

CHOR:
Hey now beautiful girl you shake it so fine.
I said hey now beautiful girl, i'm gonna make you mine.
I never saw you round here before.
The way you move, it wakes me up inside.
Beautiful girl, im gonna make you mine. Woh, oh, oh,
oh, oh, oh, oh.

So come on,
you got a bag full of tricks , I'll be the nine or the six.
Come get your kicks and i wont resist. Overload!

So what if your make up 's melting down , ooh yeah!
I never liked a painted mime, Just wash it off cause
simple's always fine

CHOR:

Woh, oh, oh, oh, oh, oh, oh. Yeah
(solo)

Hey beautiful girl, shake it so fine.
Hey beautiful girl, just one more time.

CHOR:
