Yeah....

Sunny day and a cloud is always over my head its too bad.

Got a raise hip-hurray the day they found my boss dead. Shit!

I got dreams all locked up in the attic and the sound of a clock going toc-tic.

Aint no voodoo believer but is seems to me, you put a hex on me.

Got a phone in my hand got a hole in the head. So sad.
When i sleep i'm alive but when i wake up im dead.
Did you hear what i said?

CHOR:

I got a date with a doll and a needle.

She got no eyes but she's lookin' at me.

In every answer i get there's a riddle to find. Yeah, yeah.

I got a date with a doll and a needle,

I got a date with the medicine witch.

Ain't no voodoo believer but it seems to me. You put a hex on me.

Shitty day its ok i got a bag full of meds, blues and reds.

I threw pennies in the fountain but my valley is still a mountain.

When i sleep i'm alive but when i wake up i'm dead.
Yeah.

CHOR:

What if I cast it away , with a doll and a needle

Should I cast it away , with a doll and a needle

I need to cast it away , with a doll and a needle

I'm gonna cast it away , did you hear what I said?

CHOR:

Bitch!
