Riding alone...

When I be riding, I be riding alone...

Uh...

Vito Banga.

When I be riding, I be riding alone,
See you call but I don't pick up the phone
Most of them think of me wrong...
Don't make a man, I be out in my zone.
What it is they need to leave me alone
Why can't they leave me alone!

When I be riding, I be riding alone,
See you call but I don't pick up the phone
Most of them think of me wrong...
Don't make a man, I be out in my zone.
What it is they need to leave me alone
Why can't they leave me alone!

That nigger brought money,
(?) start running.
Didn't spread rumors, zone how I act funny.
And how they jump and what they did to me. Cash it --
I was ugly and didn't get pussy.

...

Fuck my grill and how I don't want it.
At the right time, said it gon' jumpin'.
Hold up, homie -- got your strap on me.
Don't hate me, I won't hate you with the phony.
You mad 'cause I don't? Let your shine on me.
Ball a block for what? Just let me by, homie.

Yeah, I'm a grown man, killing like?
Came to get it all, and keep the beat coming.
Only rapper -- bump, bump, bump -- beats that I
pumpin'

Only speak the hush, she let me be something.
Car gate on them, can't tell me nu'in'.
Vito Banga, CAN'T TELL ME NU'UHN'!

When I be riding, I be riding alone,
See you call but I don't pick up the phone
Most of them think of me wrong...
Don't make a man, I be out in my zone.
What it is they need to leave me alone
Why can't they leave me alone!

When I be riding, I be riding alone,
See you call but I don't pick up the phone
Most of them think of me wrong...
Don't make a man, I be out in my zone.
What it is they need to leave me alone
Why can't they leave me alone!

I relate to the raw,
I do it for the real.
The only thing my struggle,
My work is so clear.

Cornerstone drinker, red cup of the bill.
Pussy back up, lane gang stand hill.
My car rides better
With three?
Don't fuck with your vocals, I bang Jimmy Pop.
If it's two bags of money, I make two trips.
Nigger push a bus pipe,
Loose lips will sink a ship. FUCK IT!

When I be riding, I be riding alone,
See you call but I don't pick up the phone
Most of them think of me wrong...
Don't make a man, I be out in my zone.
What it is they need to leave me alone
Why can't they leave me alone!

When I be riding, I be riding alone,
See you call but I don't pick up the phone
Most of them think of me wrong...
Don't make a man, I be out in my zone.
What it is they need to leave me alone
Why can't they leave me alone!

Better says and said shit?
Nigger said, I said, "? hard beats 'n' shit."
He didn't even use it. Well, hello.
Dear punk-ass nigger, leave me alone.
