ZERO LOVE SQUARED

Break the ice
Zero love squared
Melt between the lines
Not with me
A secular lie
The night is torture you
I am not a prophet
But I know one thing

Itâ€™s impossible to break my wings
Here doubts hiding
Smashing to pieces fear
Forever
Have no voice
Leave your leading
If no pity the fire

Arrows of our love
As in the blue flame
By poison are poisoned
Take away all dreams
They are only of two of us
But youâ€™ll never know
That I'll fly away
Iâ€™ll pay for the false love
From the ashes I get up
But again, I go to the bottom
To our game with you

Wild dreams
Hide yourself by angles
Our bridges
Are diverged
In the Halfway
Bestially sharpening claws
Chains, and crosses
Now so needed.

Glossy traces are
Drying my tears
I can not soar
Above the earth
Clones of your love
Condemned so often
But I did not let go
