Yeah she's 15 and I know it.
And she try hard not to expose it.
But it's pretty obvious I know it.
And the truth is I'll still bulldoze it.

Yeah she's 15 and I know it.
And she try hard not to expose it.
But it's pretty obvious I know it.
And the truth is I'll still bulldoze it.

Yeah I think she knows why I dig that 15 young scene.
She barely knows how to talk but she loves me.
She's so innocent she don't know a damn.
All she knows is I'm famous and she wants that dream.
But her momma don't like. Dad want to fight.
I don't give a fuck. I just tell them both fight me.
Don't say nothin' about calling the cops.
Your daughter loves me so I know she won't talk.
And she's so hyper like a freshman should be.
Lets just hope she's in her room when she should be.
Cause if she isn't then she's gonna get grounded.
Damn I'm gettin' tired of this sneakin' around shit.
Just tell your momma I'm a rapper that'll work right?
Oh now she thinks I'm thug? Fuck my life.
Oh yes I'm a thug. It's fucking thug.
I don't really care what they say. It's fucking thug life.

Yeah she's 15 and I know it.
And she try hard not to expose it.
But it's pretty obvious I know it.
And the truth is I'll still bulldoze it.

Yeah she's 15 and I know it.
And she try hard not to expose it.
But it's pretty obvious I know it.
And the truth is I'll still bulldoze it.

She's like my own little bratz doll bow in her hair.
So her mom tries to stop us sayin' "He's not fair."
Then I pull on her strings and I get her right back.
I'm her boy and there ain't nothin' gonna change.
She calls me Jesus I call her baby doll.

She's so innocent. Baby don't get plain at all.
In her summer dress I think she got a trackin' device.
It makes me feel so dirty when I hit the lights.
Then I feel her nails diggin' in my back.
This chick usually sleeps with a teddy bear man.
But I don't care about age. I just care about face.
And she's got the prettiest and a little tiny waist.
And a little tiny place for my little tiny wait...
Oh I didn't forget that synonym but don't hate.
Oh forget them women it's all about the prey.
I just want a little girl too young to say my name.

Yeah she's 15 and I know it.
And she try hard not to expose it.
But it's pretty obvious I know it.
And the truth is I'll still bulldoze it.

Yeah she's 15 and I know it.
And she try hard not to expose it.
But it's pretty obvious I know it.
And the truth is I'll still bulldoze it.
