aye its me, the evil angry mutt, cerebral way corrupt,  
deceitful brain, diseased nd crazed, cuz the way I think  
be dangerous,  
i'll leave you hangin up restrained then make a needle  
strain your blood,  
And then i'll grin, because I listen to your screams of  
pain for fun.

i'm the seed of satan comin in a Jason mask, to break  
ya back,  
cuz gangsta rap changed me to a crazy maniac,  
and even jesus with his angels aint able to change me  
back,  
cuz all my hateful shady acts,  
earned be a permanent spot with satans flamin wrath,

rainin ash, "aye it's a straight up fact you can't escape  
it matt",  
dang it man, guess ima make it worth it, aint gon waste  
the chance,  
come with blazin gats then I spray ya cap with fatal  
blasts,  
then im tellin god to kiss my naked ass, just to make  
him mad,

"take it back", fuck you god, ima diabolic genius  
wordsmith,

wipe my ass with the book a fuckin child often sees in  
churches,  
Rapin a priestly bitch, nd I leave her hymen jaw nd  
femur hurtin,  
But my dick wasn't wrapped, kinda like osamas stinkin  
turban

Oops

well, guess ima kill her while the frickin chick is  
screamin,  
Kicked nd beaten, missin teeth nd bleedin in the  
kitchen thinkin

"jesus please, free me of this evil fiendish wicked  
demon",  
Haa, wheres the damn police men when the weakened  
bitches need em,

Aaaaaah!

so am I a psycho? ask the chick I left deceased,  
then cut into eleven pieces, still no one's arrested me,  
i watched her lay in bed asleep, chopped her head,  
severed clean,  
let it bleed and slowly whispered "rest in peace"
