[Milly]

How we be? stop and see
better watch ya boi
and let em know to stop and think
and watch his teeth
cuz 4Deep constantly
do what we do when we wanna do it
and ain't no stopping me
uh i know i'm shady when i split
i put a clapping to yo boi like i'm Baby and the Clipse
not to forget dudes tend to hate
always run up in my face
cuz i'm snatching they chicks
you can say what you say i'ma be a playa man
matter fact a pimp never lose my grip
we gon still make hits never ever will we quit
learn to love it
we run so run kid
you heard it's nothing
so ya'll cats know how the story goes
whoa watch out cuz we about to explode
oh who that cat there making that noise
3 words

[Chorus 2x]

You better watch ya boi
you don't wanna lose ya boi
you better get a hold of ya boi
cuz we got what it takes to rock ya boi

[Lil Brotha]

You better stop this dude and watch this dude
cuz you don't wanna mess around and pull me out the
mood
walk around like it's orange peals and pears
now all them grills and stares
we'll get you wheeled in chairs
no matter the situation
brotha be commin and blazin patient
leaving them waiting
ready to ball my first
every single breath we taking

you rolling with us i'm rolling with them
don't wanna get touched, then check yo chin
let me find out we at it again

[Ice Kid]

Now you see me grinding on this chick

tight grip on the hip
mack gloss on the lips
pants zipper unzipped
i'm ready to let it rip
i'm sorry baby but i'ma have to pull these clips
[what happen to that boy?]
look dawg get the picture
you better tuck ya boi boi boi
or ducky gon get wit ya
these flame gon get cha
and i don't mean the heat from the nine
i mean that shit i spit gon rip ya
these dudes hate
cuz they with my chain
while he doing his thang he stay screaming my name
so don't let this look at my image alter ya vision
the Kid will have you in a condition can't talk in ya
position

[Chorus]

[A.E.]

Yo yo
now ya boi got issues
if you don't want problems i wish you
quit telling us shit dude
so if dud lips move with a case of diarrhea
of the mouth
these clips will wipe it of like tissue
i don't wanna bang but man
you wanna bang let's bang
i'll do ya thang the same
and i'll make sure dem angels sang
let it rain...
so if ya boi thinking it a game it ain't
i'm tryna dance and pick up a chick
but you too busy moving yo lips in my face
[in yo face]
i ain't tryna be rude dude but damn
give a nigga some space
[aye give my nigga some space]
mami telling me that daddy all in it
now your boi looking all mad like damn he all in it
but keep talking badly and gladly

on your chest like you rockin a mami altencih

[Chorus]
