Step into this box,
we'll label it life.
We'll ship you around the world,
you'll see it all twice.

Then we lower you,
six feet below.
is this what you
wanted to know?

The undertaker waters the lawn.
To pass the time
he even sings you a song.
Down there you can hear
his out of tune
Lullaby for two in D blue.

You saved pennies
all your life.
Bought two well kept
lots in the shade.
On the warm summer night
they wonder...
Who paid for the brightest marble?

I could tell
by the way you lie,
I could tell
by the way you lie,
I could tell
by the way you lie
next to me in the moon light tonight.

I could tell
by the way you lie.
I could tell
by the way you lie.
I could tell
by the way you lie next to me
in the path of the moonlight tonight,
that this is love.
