White Horse by Carmen Scognamiglio  
Say you're sorry  
That face of an angel  
Comes out just when you need it to  
As I paced back and forth all this time  
Cause I honestly believed in you  
Holding on  
And days drag on  
Stupid girl,  
I should have known, I should have known

[Chorus]

I'm not a princess, this ain't a fairy tale  
I'm not the one to sweep off her feet,  
Lead her up the stairwell  
This ain't Hollywood, this is a small town,  
I was a dreamer before you went and let me down  
Now it's too late for you  
And your white horse, to come around

Baby I was naive,  
Got lost in your eyes  
And never really had a chance  
My mistake I didn't know to be in love  
You had to fight to be the upper hand  
I had so many dreams  
About you and me  
Happy endings  
Now I know

[Chorus]

I'm not a princess, this ain't a fairy tale  
I'm not the one to sweep off her feet,  
Lead her up the stairwell  
This ain't Hollywood, this is a small town,  
I was a dreamer before you went and let me down  
Now it's too late for you  
And your white horse, to come around

And there you are on your knees  
Begging for forgiveness, begging for me  
Just like I always wanted but I'm so sorry

Cause I'm not your princess, this ain't a fairy tale  
I'm gonna find someone someday who might actually  
treat me well  
This is a big world, that was a small town  
There in my rearview mirror disappears now  
Now it's too late for you and your white horse  
Now it's too late for you and your white horse, to catch  
me now

Oh, whoa, whoa, whoa  
Try and catch me now  
Oh, it's too late  
To catch me now
