In the ..you were a crying thing
Always in the corner doing your own thing
Waiting for somebody to bring you alive
To give a little love and time

Have you have known then you was missin
Tell you saw him there walking down the street
On the corner somewhere became is so clear
That tomorrow so ..near

Chorus:

He can't understand though what you wanna be
Love is .. till i hope you find the ..
..i can't see it you shine you sine
It takes your breath away when you see his face
..for broken heart left you with ..
So i've been .. i can't see it you shine you shine the love

You're in home you
Like a flower in ..the world the point of you
Now the door is wide open ..you you
Because where your hair ..loves you
.. sees silly you and ..always be there

Chorus:

He can't understand though what you wanna be
Love is .. till i hope you find the ..
..i can't see it you shine you sine
It takes your breath away when you see his face
..for broken heart left you with ..
So i've been .. i can't see it you shine you shine the love

Oh yeah you shine the love
You shine, you shine, you shine
Oh yeah you shine the love
You shine, you shine, you shine
You shine, you shine, you shine

Thanks to garbo
