First verse, i wanna tell ya something.
let me tell ya about this gorgeous girl,
where every man wanna spend over million perls.
Cause she is the one where you can have all the fun.
Get yourself good , man you gotta do the undone,
getting yourself fit from early before the others get the
run for the fun.
Hell she is gonna get you crazy,
but you gotta stay a little lazy.
Cause as you stay calm,
i guess she is gonna give you the sum.
Will give her the maximum,
as she is gonna hate that minimum.
Otherwise oh my GOD, i don't know what would be,
cause she is cute as dangerous.

{Chorous}

She's the cutest girl i ever seen in my life.
Ever since i met her, i have been waiting to make her
my wife.
And even though she got everything, but not a pinch of
pride in her eye.
Yes(yes), she's the only one, the perfect girl, i ain't
saying no lie.

{Verse 2}

Oh there she goes.
Look at her cuteness.
Showing all her beauty.
Up and Down her booty.
Big big wow boobies.
Killer curves that hits every man,
like she got more than half a million fan.
I know the thing, you want the thing from her, she got
in her, that makes everyone fall for her,
you want her??(yea...)
Let me tell ya that you gotta have a lotta swag to make
her fall for you, otherwise....!!
But wait a second..!!
I think she is coming by me.
Says that i'm the only one to make her happy.

Cause i got the perfect thing,
well i know she wants the Bangg...!!
And let me tell ya i'm the Big Hunk and she is my cute
Tigress.

{Verse 3}

The perfect girl i ever seen in my life.
Yea i swear I'm gonna make her my wife.
She is the desire of every man,
And all of them, chasing her like a competition,
tryna get her all attention,
but she was getting a little tension,
so i took her outta this and she thanked me
i said, "Just don't mention".
I asked, "Would you mind if i drop you home?"
And she just smiled and said, "If you wouldn't mind"
As soon as she took the front seat,
Up and Down Boom Boom my heart beat.
Afterall she is my crush, and i knew i didn't had to rush.
And then i began to wonder, "Would she even give me
her number??...!!"
But when we reached her home she smiled and gave
her number !
