

## 4Him "Debt Of Gratitude"

Visit "[Debt Of Gratitude](#)" on MotoLyrics.com

You brought me back to life  
Healed my broken heart  
You've given me my sight  
You've taken me by storm

You gave it all away  
To come and rescue me  
Day after day  
Your love delivers me  
What can I ever do to thank You?

CHORUS:  
What do I owe You?  
What can I pay?

My debt of gratitude grows every day  
All I have to give is an offering of love  
The sacrifice of praise

Here I am again  
So in need of You  
You always take me as I am  
You always pull me through  
What can I ever do to thank You?  
(repeat Chorus)
