They say that into every life, some rain must fall  
For the pain is no respecter, of the mighty or the small  
But sometimes, it just seems so unfair  
To see the one who's had more than his share  
Oh it makes you wonder why  
And Lord I wouldn't second guess, your mighty plan  
For I know you have a purpose, that's beyond the scope  
of men  
If you look inside my heart, you will find  
That I have always been the trusting kind  
Oh but still I wonder  
Why(I wonder why)  
Do the rainy days have to come  
When the storm clouds hide the sun  
I wanna know why  
Why(I wonder why)  
When the reasons aren't clear to me  
When it all is a mystery  
I want to know why  
And though down here, I may not understand  
I wont let go of the Unseen Hand  
For it holds the reasons why  
The Lord has never been afraid, of honest prayers  
And He won't allow the burden, to be more than you  
can bear

When He knows, that your trust, is in Him  
He doesn't mind the questions now and then  
Even if you wonder  
Why(I wonder why)  
Do the rainy days have to come  
When the storm clouds hide the sun  
I wanna know why  
Why(I wonder why)  
When the reasons aren't clear to me  
When it all is a mystery  
I want to know why  
And though down here, I may not understand  
I wont let go of the Unseen Hand  
For it holds the reasons why  
When the storm clouds hide the sun  
I wanna know wanna know why

Why  
When the reasons aren't clear to me  
When it all is a mystery  
I want to know why  
And though down here, I may not understand  
I wont let go of the Unseen Hand  
For it holds the reasons why

And though down here, I may not understand  
I wont let go of the Unseen Hand  
For it holds the reasons why
