Kiely: I cannot Believe You Took Derrick From Nikki,
Why'd You Do it?

Adrienne: Girl, She was playin' him, And you know that

Kiely: Dang what you gonna say to her at school

(Adrienne) What you fail to understand, when you gotta

I'ma fly girl, with the times be his sholder when he
cries, ridin' shotgun, and even drive
his brand new benz, it's too late to cry

Hook: I'll take his heart, I'll be his superwoman, or you
can just call me
the clean up woman, tighten up your grip or he'll get
taken from ya,
when I take your place, don't say I didn't warn ya

(Chorus) Yes I took your boyfriend, Cuz It seems you
didn't want him,
You had that cutie wide open, So I had to jump right on
it, Yes I took your
boyfriend, cuz it seems you didn't want him, you left
that cutie wide open
so I had 2 jump right on him, Oooh oooh oh

(Adrienne) Now you wanna run up all in my face, callin
me this and that
don't playa hate, need to be checkin all yo brods,
chicken heads got you
caught up in a whirl, while you were caught up, I caught
him, It's not his
fault, don't be mad at him, take your loss, go swallow
your pride, he's
waiting for me in his new ride

Hook:I'll take his heart I'll be his superwoman, or you
can just call me
the clean up woman, tighten up your grip or he'll get
taken from ya,
when I take your place, don't say I didn't warn ya

(Chorus) Yes I took your boyfriend, Cuz It seems you
didn't want him,
You had that cutie wide open, So I had to jump right on
it, Yes I took your
boyfriend, cuz it seems you didn't want him, you left
that cutie wide open
so I had 2 jump right on him, Oooh oooh oh

Hook 2: Girls you betta listen up, u slip, he dips, I'll pick
him up, your
loss my gain, your pleasure, my pain, it's your fault,

didn't want him,
You had that cutie wide open, So I had to jump right on
it, Yes I took your
boyfriend, cuz it seems you didn't want him, you left
that cutie wide open
so I had 2 jump right on him, Oooh oooh oh

(Repeat Chorus Til end)
