I'm the son of the wilds swan of Flanders  
who sail on the river of dreams  
my mother the swan has left me and gone  
my ..the banks of the stream

In the marvelous clouds sail by  
marvelous clouds  
I laugh in the sun, summer sky  
marvelous clouds

I've seen all the lovers and always  
I've heard every promise at dawn  
I spent too much time just standing in line  
to be told I shouldn't belong

In the marvelous clouds sail by  
marvelous clouds  
I laugh in the sun, summer sky  
marvelous clouds

I've looked in the eyes of your heroes  
has they sailed from far..lands  
the melon that uniforms mud on their boots  
blood on their faces and hands

In the marvelous clouds sail by  
marvelous clouds  
I laugh in the sun, summer sky  
marvelous clouds

my father the king of the mountain  
looks down and watches his child  
come home says he and hate what you see  
you're young in the country as wild  
but I'll stay and I'll wait for canon  
and the drums stop drumming my ears  
is it too late man kind of you run out of time  
so mother of days and years

In the marvelous clouds sail by  
marvelous clouds

I laugh in the sun, summer sky  
marvelous clouds  
marvelous clouds
