You know I got a girl and she stell wanna get to me

She want me to be her cheater

She want me to be her cheater

She want me to be her cheater

She know I got a girl

She know I got a girl

But she want me to be her cheater

She want me to be her cheater

She want me to be her cheater

She want me to be her cheater

You a bad girl and you don't waist time

Got to be stupid

Got to be damn

She know I got I girl and she stell wanna get to me

She want me to be her cheater

She want me to be her cheater

She know I got I girl She know I got I girl

But she want me to be her cheater

She want me to be her cheater

She want me to be her cheater
