I am the way you wanna be too
I'm a danger to myself
You are the sacrifice I'll make
When I crawl up in between you

You and I, you and I both know
The inner voice that freez you
You and I, you and I both know
The lucid way, lucid way I tease

But I won't parade my patince
If you think me pretty vacant

I am the cloud surrounding your crowd
I'm a danger to myself
You are the heat that brings home the rain
But it's harder to complete you

You and I, you and I both know
The inner voice that freez you
You and I, you and I both know
The lucid way, lucid way I tease

I Don't Care
But I won't parade my patince
I Don't Care
If you think me pretty vacant

I Don't Care
But I won't parade my patince
I Don't Care
If you think me pretty vacant

If you wanna turn your back on me
Find a way to seize the day
Go ahead and make things fair
But you know what, I don't give a fuck!

I Don't Care
But I won't parade my patince
I Don't Care

If you think me pretty vacant

I Don't Care

But I won't parade my patince

I Don't Care

If you think me pretty vacant
