I want these girls, these girls want me
Sophistication with guarantee

Gimme, gimme your sweet dance
One touch! By any chance?
Shake those hips, spread your legs
Cause me a goddamn heart attack!

Late night vibe
(Late night vibe)
Dressed in boots with a pimped up hoochie suit
Late night vibe
(late night vibe)
You getting screwed by a honky-tonk bluesy dude

I want them all, why can't you see
Satisfaction ain't no fee

Baby, baby, here I am
I'm ready to stand my man
Shake those hips, spread your legs
Cause me a goddamn heart attack

Late night vibe
(Late night vibe)
Dressed in boots with a pimped up hoochie suit
Late night vibe
(late night vibe)
You getting screwed by a honky-tonk bluesy dude
