Keep one eye open  
And the second one closed  
Till the distance seems no longer  
And the sunset's back for more

Leaving your remains  
Of things just so insane?  
They deceive and hunt your dreams  
They deceive from dusk till dawn

Lights out!  
and you will see who I'm supposed to be  
when I'm dreaming, dreaming my wasted mind away

Keep your feet on the ground  
And hear that sound  
Cause the distance ain't no longer  
and the story's back for more

I've got a one-track mind  
Since I fuck up all the time  
A dÃ©jÃ  vu of you and I  
The same just one more time

Lights out!  
and you will see who I'm supposed to be  
when I'm dreaming, dreaming my wasted mind away  
Lights out!  
and you will see who I'm supposed to be  
when I'm dreaming, dreaming my wasted mind away

Lights out and you will see, who I'm supposed to be  
(4x)

Lights out!  
and you will see who I'm supposed to be  
when I'm dreaming, dreaming my wasted mind away  
Lights out!  
and you will see who I'm supposed to be  
when I'm dreaming, dreaming my wasted mind away

Lights out!  
Lights out!  
and you see me for  
Lights out!  
Lights out!  
and you see me for dead
