One step to the side
And I feel satisfied
As I move along my pride
I feel my bloodstream rise

It is the kind of pride that drags my soul as to so I
survive
Every kind of pride feels the best if you seize my
demise

What I did - I was driven to do
Ain't enough when I had some stuff
And still I'm doing fine
My disguise - Can't deny
All my stains and all remains
And all is so divine - so divine

Demons of my mind
And no one's left behind
My pride is still alive
About to reach my highs

It is the kind of pride that drags my soul as to so I
survive
Every kind of pride feels the best if you seize my
demise

What I did - I was driven to do
Ain't enough when I had some stuff
And still I'm doing fine
My disguise - Can't deny
All my stains and all remains
