Fabulous Felonz

Fabulous Felonz

It's the Fabulous Felonz

It's the Fabulous Felonz

It's the Fabulous Felonz

The amount of pressure that it takes to bust a nut  
It's the head rush, from the sound cut  
Establish my noise, sound wave hunt  
Alchemist, purifyin' notes just to touch  
of Mercury, classifying elements  
Blending the essence of fury  
But within this heat, there's still peace  
In order to defeat you must teach  
Rebellion of the Fabulous Felonz (Fabulous Felonz)

[Raw Intellect: 1]

I'm a rare creation, illustration of original ancient  
Feed bronze hair sheep throughout my conjugation  
Spit afrodeziacks, with gypsies till the observations  
They open eyelids and Oscars in my nominations  
We go through hail, sunshine and precipitation  
Just to be a street scholar, for street education  
I dream ya mason charge for air plus his ventilation  
New world order, flip the situation  
Now it's time pass on, in modern Babylon  
Just like a decathlon, instead of catacomb, gas masks  
placed upon  
Lookin for thugs, who get their battle on  
Chariots of fire, with no medallion  
Seen the finish line from miles beyond

Rebellion of the Fabulous Felonz

Rebellion of the Fabulous Felonz

Rebellion of the Fabulous Felonz

Rebellion of the Fabulous Felonz

Leave the streets meltin', young minds swellin'

Sound waves we sellin', caps peal, yellin'  
Amplifying notes that shatter glass, take courage  
Cease ya fears, before you have the remedy,  
affliction, comes here  
As it draws near, don't stare  
The truth, exist in your square  
Rebellion of the Fabulous Felonz

[Raw Intellect: 2]

The knowledge is infinite, better start studying it  
Manifest it, but understand it  
Without the 12 Jewelz of Mathematics you be stranded  
Soul abducted, substitute it with Devilishment  
Controlled by the 100% weak and wicked  
The government, who invent the laws?  
You better know the list before you fall  
The only paper I read is The Final Call  
I feed off the bread of life, survive off the bread of life  
The bread of life be the truth  
I got enough bread to feed a thousand heads  
And bring the life to the mental dead

Rebellion of the Fabulous Felonz

[Raw Intellect: 3]

Get wrapped up in the web of deep thinkin'  
Superior sinister plot drips from the ink pen  
Entycin, ya whole click faces extinction  
When I'm high off the bomb lye imported from  
Kingston  
Sippin Dr. Bombay throughout the weekend  
My speakers tweakin, red bones leakin  
I'm seekin red bones in the bar with Othello pawns  
We get served like good fellas on a Mellow Jones  
Yeah I'm all highed up, make sure your shoes is tied up  
When the Raw and the Army size up  
We tear this whole country side up  
This corrupt way of livin, take a lot and thanks forgiven  
I've been sinnin like this since the beginning  
4th keep the record spinnin, get respected like John  
Lennon  
I serve these niggas heads like Wimbledon  
I got 'em tremblin, in their Timberlands
