I Donâ€™t Need It

Iâ€™ve done this all before
Iâ€™m done and you still want more of me
No mistaking what I heard
Still saying the same old words to me

Youâ€™re always on your quest
You think you know whatâ€™s best
You never let it rest
You say you need it
Itâ€™s not what you said
I think Iâ€™ve been misled
Turn this thing around
Cause I donâ€™t need it

I donâ€™t need it

This price I canâ€™t afford
This path is not the course for me
Even if I could endure
Thereâ€™d still be no reward for me

Youâ€™re always seem distressed
Borderline depressed
Every other day
And I donâ€™t need it
What would you expect
For me to just digress
Well Iâ€™ve come to far
And I donâ€™t need it

Youâ€™re always on your quest
You think you know whatâ€™s best
You never let it rest
You say you need it
Itâ€™s not what you said
I think Iâ€™ve been misled
Turn this thing around
Cause I donâ€™t need it

I donâ€™t need it

Youâ€™re always on your quest
You think you know whatâ€™s best
You never let it rest
You say you need it
Itâ€™s not what you said
I think Iâ€™ve been misled
Turn this thing around
Cause I donâ€™t need it
