Drop the bomb let's go, it's time for the battle  
I'm done playing church I'm about the next level  
I'm done living broke I got to get paid  
Done losing money, now it's time to get made gee  
While sleeping, the devil's been creeping on  
me, stealing on me, they wanna kill me.  
But you know God's running the show  
He's coming over like a bomb and explode  
Don't test me, cause I'm set for what you're bringing in,  
even if you sneaking in. Yea  
And I'ma take back whatever you took  
and I'ma come through you exposing you  
By, pray and fast, Oh you hear that  
7, 21 days um, it's like that.  
The next time you wanna come around  
Know it's gonna be a smack, smackdown!

#### CHORUS

Smackdown, every single day, it's gonna be  
Smackdown, and you know,  
Smackdown, every single day, it's gonna be  
Smack smack smackdown!

#### 2nd Verse

I give my praise to the Ancient of Days  
Cause no man can predict his ways  
And no man can, tell what's going on  
Right now in the Heavens and where he's from  
For this reason, many men have chosen the wrong path  
to stay unbelieving  
Now unbelief is a devil and we gonna have to bring him  
down with a level  
And this is where God comes in, and we praying  
and the whole host of Heaven is here to bring heat in  
And bring em down like never before  
and let em know one with God, we won the war  
so the Most high gets glorified, like that  
The Most high gets glorified, like that  
The Most high is sanctified when evil is wiped and  
we're here to testify.

## CHORUS

Smackdown, every single day, it's gonna be  
Smackdown, and you know,  
Smackdown, every single day, it's gonna be  
Smack smack smackdown!

## 3rd Verse

I stand here to testify, I testify  
that I would've been mugged yo if it ain't the Most High.  
Who's been watching over and saving me from  
enemies who've been trying to cover me  
They wanna cover me but it just wont be and take over  
Bee out of mere jealousy and envy  
Cause it's the way of my foes, my enemies don't wanna  
see me cause the hate me sooooo  
Well let's give God the praise, he's the Ancient of Days  
yo who've been paving the ways  
He pave way where there ain't no way  
and finally paved a way for me to have a brighter day  
yea  
He's the reason why I'm on this track  
The reason I smile cause he's got my back  
The one who decide to take the troubles away so  
Beebex can have a great day and I'm having it.

## CHORUS

Smackdown, every single day, it's gonna be  
Smackdown, and you know,  
Smackdown, every single day, it's gonna be  
Smack smack smackdown!

Smackdown, every single day, it's gonna be  
Smackdown, and you know,  
Smackdown, every single day, it's gonna be  
Smack smack smackdown!
