#### VERSE 1

Why do we have to keep on hating on each other  
Why do we have to be so cruel  
If we might just try, loving one another  
we will be building something good

#### REFRAIN

Is this the way, that men should live  
a way of hate and jealousy, that's bringing pains all day  
Isn't true, with God all things are possible  
Oh God we pray come down on us and teach us how to  
love your way

#### CHORUS

So peace could reign , So peace could reign  
So peace could reign Amongst us -2 X

#### VERSE 2

Sometimes it's hard to love, someone who broke your  
heart  
Over and over again, and never said sorry  
but if we could overlook offences and pray  
When God is in control, no need to be worried

#### REFRAIN

Is this the way, that men should live  
a way of hate and jealousy, that's bringing pains all day  
Isn't true, with God all things are possible  
Oh God we pray come down on us  
and teach us how to love your way  
oooh oooh oooh oooh oooh ooh oooh ooooooh

#### CHORUS

So peace could reign , So peace could reign  
So peace could reign Amongst us ( we need some  
peace )  
So peace could reign , So peace could reign  
So peace could reign Amongst us ( Lord, Lord, Unh, Oh  
let it reign yeah Hmmm  
oooooooh hmmm hmm hmm  
Lord we need some peace , ooooooh
