I once met a girl who lived in my heart  
To my surprise, and right from the start  
She said she loved me and I loved her too  
She gave me love in my life

Loves Strong, love forms a bond with your  
Heart and soul, you feel such a fool, but I  
Love you, with all of my heart because  
You gave me love in my life

We got engaged, and married too  
Both took our vows, and both said I do  
To have and to hold, till death do us part because  
We had found love in our lives

Loves Strong, love forms a bond with your  
Heart and soul, you feel such a fool, but I  
Love you, with all of my heart because  
You gave me love in my life

(Piano build up)

I love you, with all of my heart  
Do you Sandra take this Man to be your lawful wedded  
Husband? (I do).  
I love you, till death do us part  
Do you Robert take this Woman to be your lawful  
wedded wife? (I do)  
I love you right from the start  
Yes I do.....oh.....oh

(Guitar Lead)

Loves Strong, love forms a bond with your  
Heart and soul, you feel such a fool, but I  
Love you, with all of my heart because

Loves Strong, love forms a bond with your  
Heart and soul, you feel such a fool, but I  
Love you, with all of my heart because

You gave me love in my life.
