All Right? Yeah. All Right?

Come on pretty baby, wont you talk to me  
Your such a pretty baby, I'm on bended knee  
Come-on talk to me (Get your card stamped here)  
Come-on talk to me (Get my ass in Gear), (Ya Hoo), (Ya Hoo)

Come on pretty baby, wont you tell me your name  
Your such a gorgeous baby, you are drivin me insane  
Come-on talk to me (Get your card stamped here)  
Come-on talk to me (Got to conquer my fear)

I've seen you quite often but I don't know your name  
Dancing to the music, you are drivin me insane  
I want to get to know you, but I don't have the guts  
That leaves only one thing, that sounds rather nuts, but wont ya  
Talk to me (Get your card stamped here)  
Come-on talk to me (Got to find me a beer)

I fink that I love ya, but I cant be too sure  
I really like ya dancing till ya fell on the floor  
I want to get to know ya, but to tell you the truth  
I don't have the guts and I can't play the flute  
Come-on talk to me (Get your card stamped here)  
Talk to me (Get my ass in gear)

Middle 8: (Ya Hoo) (Ya Hoo) (Ya Hoo) (Ya Hoo)

I fink that I love ya, but I don't know your name  
To never have a met ya, would be such a shame  
I want to get to know ya, but to tell you the truth  
I don't have the guts and I can't play the flute  
Come-on talk to me (Get your card stamped here)  
Come-on talk to me (Got to consecrate my fear)(Du what?) (Ya Hoo) (Ya Hoo)

Its all right for those guys playin in a band

Expressin all their music the best way that they can  
For me to ask her out, is way too much for sure, and  
Expressly rather difficult, when ones tongue is on the  
floor

Talk to me (Get your card stamped here)  
Come-on talk to me (Got to find me a beer)  
When I've finished in the toilet, I write on the wall  
I cant spell my name, I can't do much at all  
And even if I told you, I love you oh so much  
You'd probably just laugh at me and say I'm  
bloody nuts

Talk to me (Get your card stamped here)  
Talk to me (Get my ass in gear)  
Talk to me (C-C-Conquer my fear)  
Talk to me (I need a beer)

I've had enough of this I'm goin home

Caus I'm so Frustrated!

Aw, I cant express myself!
