Through the nights I can't remember
and the things I won't forget
should've been there a long time ago
they ain't got me yeah.

Oh blessed be the bad ones like me!
Blessed be the bad ones like me!

Finish what you started
I'm here to do just that
God just might forgive you
but you know that I can.

Oh blessed be the bad ones like me!
Blessed be the bad ones like me!
Yeah!

Drifting out for pound to town
I do what I've got to do,
ain't no more looking back for me,
my sad sir set on you.

Oh blessed be the bad ones like me!
Blessed be the bad ones like me!
Blessed be the bad ones like me!
Blessed be the bad ones..like me!

Blessed be the bad ones like me!
Blessed be the bad ones like me!
Blessed be the bad ones like me!
Blessed be the bad ones like me!

Through the nights I can't remember
and the things I won't forget
should've been there a long time ago
they ain't got me yeah.
Oh blessed be the bad ones like me!
