All to board, all to board.
all to board that's salvation train
all to bord, all to board.
all to board that's salvation train
can't you hear the savior calling
they cop you cross and follow Him

calling it's vchildren over hill
and to hear the master.
they cover you

all to bord, all to board.
all to board that's salvation train
are you really now my brother
more you ..cares in vain
..your bird and ..
I'm a board that's salvation train

here thewinds are broadly engine
don't you saty around
..that train release the station
..on board she ..

all to board, all to board.
all to board that's salvation train
all to bord, all to board.
all to board that's salvation train
