Verse 1:

If I'm the work of art you say you see
Make me a masterpiece
If love is the picture painted to be
Could you make it beautiful for me

B-sec:

I'll keep that picture forever
Sign it and send to my heart, heart
And in return, I'll write you this letter
I'm so thankful and so happy
I got someone who loves me and who paints me pretty

Chorus:

Paint me (yea)
Paint me (yea)
Just make it beautiful for me
Paint me pretty
Paint me
Paint me beautiful oh

Verse 2:

He takes me away with the work of his hand
Make me beautiful again
This portrait is his heart, his everything
And when they ask him what it means

B-Sec:

He says, I'll keep this one forever
Dates back to the day when I felt my heart
That's why I sit here and write you this letter
I've never been so happy
And I know you love me cause you paint me pretty

Chorus:

Paint me (yea)
Paint me
Just make it beautiful for me (could you make it
beautiful for me yea)
And paint me pretty
Paint me (yea),

Paint me (yea) beautiful ohhh

Bridge/Refrain:

Dear you when I close my eyes

And life becomes dreams, I think of you

And when I open my eyes

And daydream on what I've seen, I still think of you

Promise...me when I look out my window

Your face I still see

My baby, I need you now, please stay with me

Forever in your arms

Sincerely yours
