I got my shades on,
These bitches out here looking for love, no phase on
I live in the ice with no blades on
Stay warm, before the whole day is gone
Then we party at maison, usher through the back

I don't need the liason
So fuck the yakidy yack, I'm with the yak in the back
Tryina mack me a fact
She's asian and black, we toasting to another trip,
I made in them back
Whether the Bronx in them monocle
Whatever, entertainment chronicle
These bitches is dommy,
My life like I'm retired and I ain't even hit the 40
Broke trippin, like I ain't even hit 14's
Sippin on a fody, do you even fuckin know me?

[Hook]

Put your money on the table, let's go buck for buck
Still god raise a teen, your luck is up
All you wanna do, get high, drunk and fuck
All you wanna do, get high, drunk and fuck
Put your money on the table, let's go buck for buck
Still god raise a teen, enough's enough
All you wanna do, get high, drunk and fuck
All you wanna do, get high, drunk and fuck

I ain't mad you starving, always been cocky, had an
attitude problem
Got your whole life set on cans
While I'm in the jet got my sight set on france
At night, peddle grams, get settles in the land
Treat metal with the man
So go and get acclimated
At the masquerade, the same mask I came with
And no congratulating, to all my 'elevating
In the road can't keep sally waiting, salary chasing
While valerie's hating
Promiscuous, rolling decks like the Christmas list
My whole fucking life kinda ridiculous

Non educative, how I'm really getting it
Waking up from my dreams and I forget I did

[Hook]

Put your money on the table, let's go buck for buck
Still god raise a teen, your luck is up
All you wanna do, get high, drunk and fuck
All you wanna do, get high, drunk and fuck
Put your money on the table, let's go buck for buck
Still god raise a teen, enough's enough
All you wanna do, get high, drunk and fuck
All you wanna do, get high, drunk and fuck.
