Chorus:

You are, You are, You are, You are

You are, You are, You are,

You're God above

(Repeat)

May the world know Your glory

May the world see Your face

Of God above

(Repeat)

May my words be few

Let me sing to You

May my hearts desire

Be what Your heart desires

Chorus

May my words be few

Let me sing to You

May my hearts desire

Be what Your heart desires

May my words be few

May Your heart shine through

May Your will be true

as I live for You

Repeat Chorus to end
