You got your suitcase packed  
Say you don't know where you're going  
And you don't care anyway  
You take one look back  
You know I won't try to stop you  
And you don't care anyway

Yeah it ain't no surprise  
We've been here before  
It was just a matter of time til one us walked out that  
door

Life's not a fairy tale  
This ain't a love song  
When someone leaves  
They stay gone

Another church is packed  
No one knows where you're going  
Nothing we can change anyway  
And you can't come back  
No matter how hard you try to  
Hold on to one more day

Yeah it ain't no surprise  
We've been here before  
It was just a matter of time til one us walked out that  
door

Life's not a fairy tale  
This ain't a love song  
When someone leaves  
They stay gone

Nothing can change it  
It don't seem fair  
I might sound jaded  
I don't care

Life's not a fairy tale  
This ain't a love song

When someone you love leaves  
They stay gone  
They stay gone
