Iâ€™ve been wondering for a while
If my thinkingâ€™s out of style.
All the people I lately observed
Were b*tches and b*stards.
And Iâ€™m doubting that the trend is gonna change;
Kids getting high all day I find quite strange.

Modern days are coming
And theyâ€™re bringing modern types of drugs.
Take â€™em and be happy;
It is out of date to drink and smoke.

Iâ€™ve been wondering for a while;
Getting high all day became my style.
I hang out with the young folks;
Donâ€™t care about their story. Itâ€™s bro's over hoes.

Modern days are coming
And theyâ€™re bringing modern types of drugs.
Take â€™em and be happy;
It is out of date to drink and smoke.

Modern days are coming
And theyâ€™re bringing modern types of drugs.
Take â€™em and be happy;
It is out of date to drink and smoke.
