"Miracle"

My life before you
Was full of pretensions
I lived as a princess
With silver forks in mouth
It was perfect but not wonderful

As you walked towards me,
I saw the lightest darkness
You have freed my soul
From wounds and sadness
It wasn't perfect but wonderful

Refrain:
However our flaws perfect our world because...

Chorus:
It feels like a perfect day
When I'm with you
Your voice when you whispered
"Miracle" sounds so true
As if I'm a blessing that
Helps you see the light
It is so wonderful to see our world
Shines so bright

I remember those tough moments
We tackled
The rocky road we have traveled
You lost once your sight yet
You haven't changed the way
You look at me
I lost once my memory
Even pictures of you
But you still don't stop
Letting me capture
New moments with you

You have traveled a lot
Just to hold me back
I felt so worth it for
I have you

These were one of those our imperfections
We have faced yet these are wonderful

(Refrain-Chorus)

Bridge:
Looking back to the days
When we started building
What we have now

It was worth looking for,
For we have grown up somehow
My mother doesn't like you,
My father has doubts too

Ooooooh.oh.oh.oh
(Chorus2x)
