Turn it up, turn it up

Dbois, itâ€™s a dangerous beat

You donâ€™t know me at all, we in VIP

everywhere you look wall to wall honey

If you tryinâ€™ flex donâ€™t bother me

Off in the cut i see wanna beâ€™s

Thatâ€™s what it is, thatâ€™s what it is

You donâ€™t know me at all so fuck you

Thatâ€™s what it is, thatâ€™s what it is

You donâ€™t know me at all so fuck you

You donâ€™t know me at all, we in VIP

everywhere you look wall to wall honeys

If you tryinâ€™ flex donâ€™t bother me

Off in the cut you see wanna beâ€™s

Thatâ€™s what it is, thatâ€™s what it is

You donâ€™t know me at all so fuck you

Thatâ€™s what it is, thatâ€™s what it is

You donâ€™t know me at all so fuck you

I do my thang Yeah, thatâ€™s what it is

Steady stackinâ€™ paper cuz thatâ€™s how I live

And if Iâ€™m caught slippinâ€™ then it is what it is

Same ole lames just a different day

You see me cominâ€™ donâ€™t hide the hate

You be up in my face but I know itâ€™s fake

Every time I see you cominâ€™ I walk the other way

You say you used to know me from a long time ago,

But them things donâ€™t change from a long time ago

Do you remember me, do you remember me

The same nigga that had your back when we were on
the streets

The same nigga playing ball in the cut

Iâ€™m the same nigga that helped yoâ€™ ass up

But when I needed help you were like â€œnigga
whaaat?â€

Things change for a reason you gotta adapt to the
change like seasons

Everybody love me, Iâ€™m your boy now huh?

You see me with some cutty, Iâ€™m your brother now
huh?

I got stacks now we buying out the bar, nigga please

You donâ€™t know me at all, we in VIP

everywhere you look wall to wall honey

If you tryinâ€™ flex donâ€™t bother me

Off in the cut i see wanna beâ€™s

Thatâ€™s what it is, thatâ€™s what it is

You donâ€™t know me at all so fuck you

Thatâ€™s what it is, thatâ€™s what it is

You donâ€™t know me at all so fuck you

You donâ€™t know me at all, we in VIP
everywhere you look wall to wall honeys
If you tryinâ€™ flex donâ€™t bother me
Off in the cut you see wanna beâ€™s
Thatâ€™s what it is, thatâ€™s what it is
You donâ€™t know me at all so fuck you
Thatâ€™s what it is, thatâ€™s what it is
You donâ€™t know me at all so fuck you
You, you, yeah you
Wait a minute, wait a minute
Hold on, cuz Iâ€™m in it to win it
Iâ€™m on top of my game so way up there
In all the lame be like I donâ€™t care
You donâ€™t know me at all so donâ€™t take it there
Buy clothes, house, cars who really cares
Iâ€™m a Dboi by name So dont take it there
I had to be a real man to just handle it
If you canâ€™t understand just go on with it
If you got other problems then come on with it
Donâ€™t waste it on a song, man finish the shit
Everything I got damn right legit
I even had time when i had to pawn some shit
I went through it all and I still ainâ€™t quit
If you did it how I did it man you would make it
So donâ€™t ask how I do, you, you, you
Donâ€™t ask how I do, you do you

Simple-minded half-wit, man fuck you
You donâ€™t know me at all, we in VIP
everywhere you look wall to wall honey
If you tryinâ€™ flex donâ€™t bother me
Off in the cut i see wanna beâ€™s
Thatâ€™s what it is, thatâ€™s what it is
You donâ€™t know me at all so fuck you
Thatâ€™s what it is, thatâ€™s what it is
You donâ€™t know me at all so fuck you
You donâ€™t know me at all, we in VIP
everywhere you look wall to wall honeys
If you tryinâ€™ flex donâ€™t bother me
Off in the cut you see wanna beâ€™s
Thatâ€™s what it is, thatâ€™s what it is
You donâ€™t know me at all so fuck you
Thatâ€™s what it is, thatâ€™s what it is
You donâ€™t know me at all so fuck you
