I cried, so hard, the day you left... Yeah
I thought it was the end of the world, the end of the
world as I knew it
But it's a funny thing
How sometimes things aren't what they seem
Thank You
4 breakin' my heart
Coz if you never left
I'd of never met someone better
Aren't you clever boy?
I really owe you one for what you've done
From the bottom of my heart
Thank You
I saw you in the hall
But you just walked on by
You made me feel so small
Hey what are you, the silent type?
But it's a funny thing
How certain people change
Thank You
4 breakin' my heart
Coz if you never left
I'd of never met someone better
Aren't you clever boy?
I really owe you one for what you've done
From the bottom of my heart
Thank You
Funny how things just work out
When you least expect it
Funny how things just work out
If you let it
Thank You
4 breakin' my heart
Coz if you never left
I'd of never met someone better
Aren't you clever boy?
I really owe you one for what you've done
Thank You
4 breakin' my heart
Coz if you never left
I'd of never met someone better
Aren't you clever boy?

I really owe you one for what you've done
From the bottom of my heart
From the bottom of my heart
From the bottom oh my heart
Thank You
Thank You
Thank You
Thanks for everything
