I cried, so hard, the day you left, yeah
I thought it was the end of the world
The end of the world as I knew it, but it's a funny thing
How sometimes things aren't what they seem

Thank you 4 breakin' my heart
'Coz if you never left
I'd never met someone better
Aren't you clever boy?

I really owe you one for what you've done
From the bottom of my heart, thank you
I saw you in the hall but you just walked on by
You made me feel so small

Hey, what are you, the silent type?
But it's a funny thing
How certain people change

Thank you 4 breakin' my heart
'Coz if you never left
I'd never met someone better
Aren't you clever boy?

I really owe you one for what you've done
From the bottom of my heart, thank you
Funny, how things just work out when you least expect
it
Funny, how things just work out, if you let it

Thank you 4 breakin' my heart
'Coz if you never left
I'd never met someone better
Aren't you clever boy?

I really owe you one for what you've done
Thank you 4 breakin' my heart
'Coz if you never left
I'd never met someone better
Aren't you clever boy?

I really owe you one for what you've done

From the bottom of my heart
From the bottom of my heart
From the bottom of my heart

Thank you, thank you
Thank you, thanks for everything
