Remember hanging out?
No matter what we said
No matter what about
It felt okay
But now that we're on this date
I'm feeling out of place
I don't know what to say to you
Except
I wouldn't be here
If I didn't like you
I don't wanna lose the friend
That I have in you
Trying to make this
Easy as it could be
Hoping that you'll so you dont
Lose the friend in me
Yeah
Now were only 14
What's up with dating anyways?
Ohhh why waste the day
Haven't you noticed yet
We act a little different
Without all our friends around
It's not the same
And
I wouldn't be here
If I didn't like you

I don't wanna lose the friend
That I have in you
Trying to make this
Easy as it could be
Hoping that you'll so you don't
Lose the friend in me
Yeah
This ain't right for me
You're like my bro and I don't wanna keep you
Wondering
Remember hanging out
No matter what we said
No matter what about
It felt okay

And
I wouldn't be here
If I didn't like you
I don't wanna lose the friend
That I have in you
Trying to make this
Easy as it could be
Hoping that you'll so you don't
Lose the friend in me
Yeah
Whoa
Yeah
The friend in me
