Remember hangin' out
No matter what we said
No matter what about
It felt OK
But now that we're on this date
I'm feeling out of place
I don't know what to say
To you
Except

I wouldn't be here
If I didn't like you
I don't wanna lose the friend
That I have in you
Tyin' to make this
Easy as it could be
I'm hoping that you'll see so you don't lose the friend in
me

Now we're only 14
What's up with dating anyway?
Mmmmmmm
Why waste the day?
Haven't you noticed yet
We act a little different
Without all our friends around
It's not the same
And

I wouldn't be here
If I didn't like you
I don't wanna lose the friend
That I have in you
Tyin' to make this
Easy as it could be
I'm hoping that you'll see so you don't lose the friend in
me

This ain't right for me
You're like my bro and I don't wanna keep you
wondering

Remember hangin' out
No matter what we said
No matter what about
It felt OK

And

I wouldn't be here
If I didn't like you
I don't wanna lose the friend
That I have in you
Tyin' to make this
Easy as it could be
I'm hoping that you'll see so you don't lose the friend in
me

Yeah
Whoa
Yeah
The friend in me, yeah
