There's a part of me I don't wanna show you
That I see, I don't wanna show you
Part of me I don't wanna show you
That I see, I don't wanna show

Its inside me head
There are things that you would not say

All these things inside my head
Wouldn't wanna say
It will get you upset

Its inside me head
There are things that you can't comprehend
Its inside me head
There are things that you must not see
There's a part of me, that you don't want to see
There's a part of you, you don't want me to see

There's a part of me I don't wanna show you
That I see, I don't wanna show you
Part of me I don't wanna show you
That I see, I don't wanna show

All these things inside my head
Wouldn't wanna say
It will get you upset

There's a part of me, you don't wanna see
There's a part of you, you don't want me see
