You got me like the moonlight
Out on these summer nights
Bring me home tonight

I was born in the midwest,
A small town in Michigan
The summers never seem to last

The three months, the moments
They go by so fast
Here we are, here we are
Back again
Trying to find our path or even where to begin

Where,
Where to begin?
We live these summer nights
We hold them close to treasure
Let's set a spark tonight and let them burn forever

You got me like the moonlight
Out on these summer nights
In these damn suburbs
Girl you're like the streetlight
Wish that I could rewind
And watch the stars align
Bring me home tonight... !

You got me like the moonlight
Out on these summer nights
Bring me home tonight... !

I'm letting go of the times that I loved the most
Like late nights bonfires
And the great Lakes Coast
And those days when I would never go back home

I'll let the water take my soul
Swimming up to the shore, facing the fact
That I can't ignore
Hiding the truth with my biggest fear

That this may be the end
But closure is near

You got me like the moonlight
Out on these summer nights
In these damn suburbs
Girl you're like the streetlight
Wish that I could rewind
And watch the stars align
Bring me home tonight... !

You got me like the moonlight
Out on these summer nights
Bring me home tonight... !

We live these summer nights,
We hold them close to treasure
Let's set a spark tonight,
Let's let them burn forever

We live these summer nights,
We hold them close to treasure
Let's set a spark tonight,
And let them burn forever!

Yeah!

You got me like the moonlight
Out on these summer nights
In these damn suburbs
Girl you're like the streetlight

You got me like the moonlight
Out on these summer nights
In these damn suburbs
Girl you're like the streetlight!

You got me like the moonlight
Out on these summer nights
In these damn suburbs
Girl you're like the streetlight
Wish that I could rewind
And watch the stars align
Bring me home tonight

You got me like the moonlight
Out on these summer nights
In these damn suburbs
Girl you're like the streetlight
Wish that I could rewind
And watch the stars align

Bring me home tonight
