Held my breath as the last wave pulled me under,  
under  
What doesn't kill you makes you so much stronger,  
stronger

Can you feel this pain  
Rushing through these veins  
Driving me insane  
But I won't break

I won't look back tonight  
This is the time of my life  
Underneath these stars  
Dancing with a broken heart  
Fight fire with fire  
Truth to a liar  
I'm going higher  
Dancing with a broken heart

I'm gonna bury all the past that sinks me under, under  
I'm gonna make a storm from the lightning and  
thunder, thunder

I won't let dogs lie  
In the peace and quiet  
Moving on to another time

Dancing with a broken heart  
Dancing with a broken heart  
Dancing with a broken heart  
Dancing with a broken heart

Can you feel this pain  
Rushing through these veins  
Driving me insane  
But I won't break

I won't look back tonight  
This is the time of my life  
Underneath these stars  
Dancing with a broken heart

Fight fire with fire  
Truth to a liar  
I'm going higher  
Dancing with a broken heart

I won't look back tonight  
This is the time of my life  
Underneath these stars  
Dancing with a broken heart  
Fight fire with fire  
Truth to a liar  
I'm going higher  
Dancing with a broken heart

Dancing with a broken heart
