What makes a girl want a guy or a guy want a girl i dont
kno why
i cant get you out of my mind.
i dont know what to say i aint afraid i aint afraid
i just dont know what to say
how do thoughts get so fraid

teenage lust inside of me
all these sexualities
is it the way its suppose to be
or is there something wrong with me

So what makes a girl want a guy
or a guy want a girl i dont kno why
i cant get you out of my mind..
what to say i aint afraid i aint afraid
how do thoughts get so fraid

teenage lust inside of me
all these sexualities
is it the way its suppose to be
or is there something wrong with me

So what makes a girl want a guy
or a guy want a girl i dont kno why
i cant get you out of my mind..

teenage lust inside of me (4x)
