Nothing matters
When this world has got you down
Livin the common life
Of a shrew under the ground
Realized that it was me
Look in the mirror doesn't matter anyway
Forget your name and go be free
Na na na na
Change your own reality yeah yeah
When I've got nothin to say
Looks like nothin goes my way
When I thought it was
Na na na na na it's not O.K.

Don't remember where I've been
Cant you see the shape I'm in
When I thought that it was
Na na na na na it's not O.K.
Beat and tired
From the street and to the ground
Look at the common lives
Scattered pieces on a town
Don't you know your supposed to be
Look in the mirror doesn't matter anyway
