(Neil Thomas)

Pull my string  
I'm your marionette  
And I'll do anything if you let me  
If you need a lover here I am  
And if you need a fighter I'll do the best I can  
Since you left I've been a wreck  
Now I'm walking these streets, ain't had no cigarettes  
And I'm hungry  
I think you know what I mean  
These days my love is too few and so far between

Pull my string for some hugging  
Pull my string for some kissing  
Pull my string make my heart sing  
Yeah it's been a long lonely time  
Your sweet love I've been missing

And I know it might be old fashioned  
But I need you, I need you  
Show me some compassion

Pull my string  
I'm your marionette  
And I'll do anything for your forgiveness  
If you let me I will sleep on your floor  
And all you've got to do is ask me  
I'll sneak out your back door  
Pull my string
