(Tom Meltzer)

From a faith healer's advertisement

From the land of miracles comes Mr. Williams  
And he says Don't Give Up - He says Don't Give Up

This Southern born spiritualist who brings to you  
The solutions to the mysteries of the land of voodoo  
Seeks to help many thousands of people  
Who've been crossed, have spells, or been plain  
hoodooed  
Want luck, want their loved ones back  
Recently been victimized by unprovoked attacks  
Want to stop nature's problems or get rid of some  
strange sickness  
If you're seeking a sure fire man to do  
What needs to be done, as God is my witness  
If you seek financial aid  
A big promotion or a higher grade  
You need to see this man of Jesus  
He sets fire to the fears that freeze us

CHORUS

He tells you all before you utter a word  
He can see right into your soul  
To your every dealing and affair  
He brings the spirit of release and control  
Thousands of people are amazed by his powers  
See him any time, he keeps unusual hours  
Are you suffering from illness or diseases that you  
cannot cure?  
There's a doctor of all doctors, this doctor is God  
Of this Mr. Williams is sure  
Read James chapter 5, verses 13 on  
Then go see this man, your troubles will be gone  
Satisfaction is doubly guaranteed  
One visit is all you'll need

CHORUS

Mr Williams has the power to satisfy each and everyone  
He reveals hidden secrets, evil eyes  
Lurking dangers before they've even begun  
Here is the man who gets his job done in a hurry  
Destroys all fear and transplants all worry  
Don't tell him, let him tell you, he knows just what's the  
matter  
He will throw his mojo high in the air  
Black cat bones he will scatter  
See him in the morning! Be happy at night!  
This man always his job and he always does it right!  
He takes what's bad and make it good  
He's located in a refined neighborhood

#### CHORUS

See him any time, no appointment's necessary  
For a change do something out of the ordinary
