[Chorus]

Shake that ass on the internet
Shake that ass on the internet
Shake that ass on the internet
Shake that ass on (the Tay, the Tay)

[Verse 1: Mike 3G]

Ass shaking song, sit it down on my Baracka.
Round of Applause for that Waka Flocka Poppa.
Chick bite down if you gonna be a floppa,
I'ma handcuff that booty like a super trooper copper!
Super trooper copper; yea, super trooper duper.
I'ma throw a couple ones on that super pooper scooper.
Got a loofah and a doucher, have you screaming
Hallelujah!
Pull yo panties to the side, let my spirit get into ya!
(Ahh)

[Chorus]

Shake that ass on the internet
Shake that ass on the internet
Shake that ass on the internet
Shake that ass on the internet

Damn girl! (Shake it!) [x8]

[Verse 2: CDiddy]

I like them girls, with them booty cheeks,
Especially big and round, soft like bounty sheets!
She got a Kung Fu (wahhh), type of booty cheeks
When she drop it to the floor she break concrete!
When she shake it, you try to fight it.
Hung you wanna slap it, grab it, rub it, even bite it!
FedEx it, UPS overnight it.
Talking 'bout it got me all excited!

[Verse 3: CMilli]

I need that up and down, that round and round, that
super soft, that big!
Upload on Vimeo, that YouTube, Twit Pic.
Make it clap then make it shake that wiggle and

wobble,
Ass Pacman them draws like hemmat hemmat gobble!
Good Googley Moogley when I google that booty
I'm looking at all these whooties that got me dizzy and
woozie!
It got me hot like jacuzzi, I like it red like a ruby
My favorite thing in the world is some internet booty.
{*Ting*}

[Chorus]
Shake that ass on the internet
Shake that ass on the internet
Shake that ass on the internet
Shake that ass on the internet

Damn girl! (Shake it!) [x8]

[Tay speaking]
Wait, wait, wait, hold on baby,
move that big ass couch out of that dirty ass room,
make sure them kids ain't in the way,
cause my man Ammanuel is about to show you how he
feels!

[Verse 4: Ammanuel & Tay]

That yo booty is on the internet
