(Paul Foglino)

This morning I got up too early  
After staying out too late last night  
Yesterday I thought that I was acting like a fool  
Today I found out I was right  
When today is spent give me tomorrow  
I'll take what I can get  
I'm not the man I used to be  
I never was the nicest guy you've ever met  
But I'm not finished yet

Low road, high road, road less traveled  
How long until we're there?  
If the road of excess leads to wisdom  
I must have missed a turn somewhere  
CHORUS

I get dizzy moving in this circle  
I get tired of climbing up this hill  
But I can't walk a straight line anymore  
And I get bored of standing still  
CHORUS
